

Scheme to Improve Small Shopping Parades

Are you a business based on a small shopping parade? Do you have ideas to improve your trading environment?

If you have the support of other local businesses on your shopping parade, Council funding could be available for the following initiatives:

- Improving the public realm by enhancing paving or improving street lighting, furniture and planting
- Removing unnecessary street furniture
- Working with landlords to improve the look of empty shops
- Encouraging the development of sustainable traders' groups

Here are examples of successful projects from the last round:

Anerley - replacement litter bins and deep cleaning of pavements

Clock House – Interpretative heritage sign

Chislehurst Royal Parade – new directional signage and new planter

If you think your local shopping parade could benefit from improvements then please speak to your Ward Councillor about the Local Parades' Improvement Initiative.

One-off funding is available for eligible projects through this Initiative. Funding needs to be applied for by Ward Councillors and bids must demonstrate a sustainable benefit for local businesses, the economy and the wider community with NO future cost implications for the Council.

Your Ward Councillor will have a list of the local shopping parades eligible for funding under this scheme. Find out the name and contact details of your local Ward Councillor by visiting

www.bromley.gov.uk

Email Sarah Keegan-Day at towncentres@bromley.gov.uk for more information.
