## Help Save The Orpington Priory as a community Arts & Heritage Centre

### **STOP** the threat of sale by Bromley Council

Help turn the vision for The Priory  
into reality - a community facility for  
Orpington, at the heart of the town's  
Conservation Area and emerging  
'cultural quarter'.

## Our vision for The Priory

We are a community group which wants Orpington Priory restored and to remain in public use as a community asset. The group is made up of individuals, people from community groups and business representatives.

**Our vision is ‘... to ensure the future of Orpington Priory, and its conservation and restoration as an historic building, with increased public access.’**

We want to persuade the council to let us run The Priory as an Arts & Heritage Centre, Community, Education and Business Hub which will be enjoyed by both the local and wider community. Two important developments will be to improve facilities such as toilets, and to open a cafeteria for use by the general public as well as visitors to the centre.

**Would YOU like to be involved in the The Priory’s future?**

**We want YOU and the skills and experience you can bring to help turn the vision for The Priory into reality.**

Please contact us via the links overleaf.
